**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We picked a local provider for our internet and voice service because we support our community. We like the competitive pricing that we have and do not want to see a price hike. This service is critical to my home use since I use it daily for information I need to do my day to day inquiries. I previously had DSL and it was slow and very expensive, provider ATT kept raising my monthly. I do miss my landline, but the cost was too much.
